Re: Lax-Straps Fundraiser for the Iroquois Nationals

To Whom It may concern,

We are writing on behalf of Steven Sadler. His foresight and initiative to create a product honoring the Iroquois Nationals resulted in a very successful fundraiser for our organization.

Steven's grasp of the lacrosse business is second to none. His responsiveness and communication created an effortless business relationship that we hope to continue for future projects.

Regards,

Brian A Wong
Chief Operating Officer
Iroquois Nationals Development Group
